)	

Material witness Salvador Hernandez-Angeles waived the right to a detention hearing and agreed to detention. The court finds that releasing Salvador Hernandez-Angeles will create a risk that he will be unavailable or will not appear to provide evidence for the above-captioned case. Accordingly, pursuant to 18 U.S.C. § 3144 and § 3142,

IT IS ORDERED:

- 1) Salvador Hernandez-Angeles may possess testimony which is material to this case and it may become impracticable to secure the presence of the witness by subpoena.
- 2) Salvador Hernandez-Angeles shall be detained pending further order of the court.
- 3) Salvador Hernandez-Angeles is committed to the custody of the Attorney General for confinement in a corrections facility; the witness shall be afforded reasonable opportunity for private consultation with counsel; and on order of a court of the United States, or on request of an attorney for the government, the person in charge of the facility shall deliver the witness to a United States Marshal for appearance in connection with securing evidence for or participating in a court proceeding.
